## *Potentate's Message*

WILLIAM S. SPENCE
*1972 Illustrious Potentate*

Dear Nobles and Ladies:

Welcome to Dallas, Texas!

This being our 100th year of Shrinedom and our 98th annual Shrine Convention, we hope it will be a memorable one for you. It goes back as far as 1913 since we last had a convention here, and many changes have taken place since then.

The Convention Committee has made many plans to make your stay at the fabulous Marriott Motor Hotel a wonderful week.

Our Unit members will appear in the two parades and special activities have been planned for all to participate in. Arrangements have been made for the ladies to attend the Day Parade, if they wish, or just relax beside one of the two Texas-size pools.

Let us all have fun . . . and while doing so, remember that our public appearances reflect on Moslem Temple and Shrinedom at large.

We want your stay to be an enjoyable one and the committee will be only too happy to assist you.

# THE FEZ

## COURTESIES AND ETIQUETTE

At all official Shrine functions Nobles wearing the Fez are deemed to be in uniform, and should render salutes and honors in the accredited military fashion.

The *Right hand military salute* is given by Nobles wearing the Fez: to the Colors when presented, or passing on parade; (If the colors pass and repass the same area the salute is given only once); to the playing or singing of the National Anthem, executing the salute on the first note, and holding until final note is sounded. (Please note The National Anthem is the STAR SPANGLED BANNER and is the only song in America entitled to the salute.)

At prayer, invocations, Benedictions, etc., The Fez is removed by right hand and held over the left breast. Inside Churches the Fez is never worn except in an official formation as escort.

*The Pledge of Allegiance.* Nobles wearing the Fez execute the right hand military salute from beginning to end. All salutes are executed without command, but should be done smartly and in unison.

THE FEZ SHOULD NEVER be placed on a table when and where food is being served.

## NOBLES UNCOVERED

For the Pledge of Allegiance, place the right hand over the heart. For the National Anthem stand at attention. If covered (civilian) remove hat and hold over heart.

## THE FLAG DISPLAYED

Must be on a staff, *never draped* and placed at the Flag's own right. If at a banquet to the right of the speaker. Only in church does the flag take position on the left, i:e: inside the Chancel. If outside the Chancel, the Flag takes its position on its own right.

*Authority, Public Law 829, Chap. 806, second session of Joint Resolutions of both houses of the 77th Congress.*

The Pledge of Allegiance, by Imperial Council Order with the approval of the State Department, because Shriners come from every country in the world, amended the Pledge to read as follows: I pledge allegiance to my Flag, and to the country for which it stands. One nation under God indivisible, with liberty and justice for all.
